## *There's No Place like Home?*

*"Go from your country, your people, and your father's household to the land I will show you."*

*-Genesis 12: 1*

Let's face it, in Genesis 12:1-5 Abram, as he was then known, was leading and living a quiet and contented life as far as we know. God calls Abram to leave his father's house and the country and go to a place probably unknown to him; a place where God will lead him to settle and become a nation.

For that matter, let me also include Moses in Exodus 3:1-12. Moses is tending the flock of sheep of his father-in-law Jethro when angels approach him and God calls him to lead his people, the Israelites, out of their bondage in Egypt. They are on their way to a new home, the Promised Land.

While we read that Moses in verse 11 questions God and wonders, "Who am I to do this task and bring the Israelites out of their captivity," we don't read that in the Abram text. With Abram, he went and did as God directed. Abram trusted God.

Life is good. We see that phrase printed on hats and t-shirts. After all, with life being so good, why fool around to make life better? But while we may think, "Life is good and flowing smoothly, the rhythm of our days is ordered and in sync; let's leave well enough alone," God has a call for each of us and as Christians, God has a better place for us. There are times where life is a struggle and we long for something better, or we might balk or make excuses, like Moses, and question what God is doing with our life to disturb the peace. Do we see God's calling us to a better place as disturbing the peace, or as an opportunity for something better?

In Abram, we find that he trusts God and answers the call to become a great nation. His journey was not always easy and neither is ours. Will we trust God to lead us to where God needs us to be? Will we trust God to bring us to a place that is better than what we know, to a place that is more perfect? Jesus went ahead and has prepared a place for us to be with God.

As we move into a new season, let God guide you, answer the call of God, and trust in what God is doing in your life to bring you to a more perfect place; a home and place better than you ever could have imagined.

Peace be with you,

*Betsy*

## Food Pantry Report - August 2017

The Schoharie Community Food Pantry continues to be utilized on a regular basis by 60 to 80 families per month. Donations of food are always appreciated, especially such items as peanut butter and jelly, tuna fish, pasta sauce and soups. As a reminder, financial donations can be made directly to the Regional Food Bank, designating the money to the Schoharie Community Food Pantry.

The food pantry has some volunteer needs as well. We are in need of volunteers on Tuesday and Thursday mornings, from approximately 8:30 until 10:00. These volunteers are responsible for receiving food that has been donated from Hannaford. The food needs to be weighed, shelved and recorded. Training is provided, and volunteers do not have to commit to every week. We also need a driver who would be willing to pick up food from Hannaford and bring it to the food pantry on the 1<sup>st</sup> Thursday of every month.

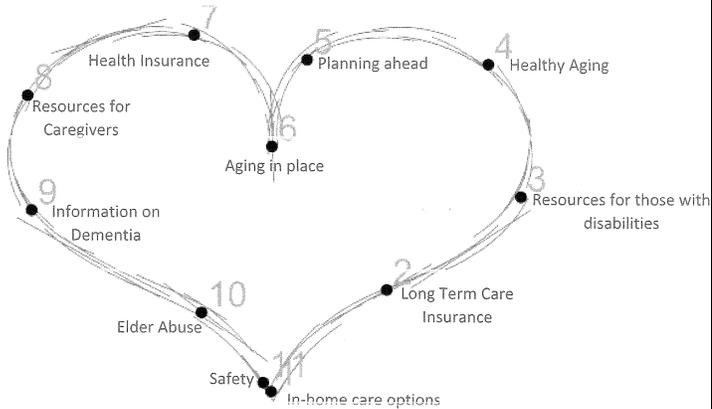

A volunteer is needed to work at the pantry on the 2<sup>nd</sup> Tuesday of every month. Additionally, we could use some more substitute drivers, receivers and pantry workers to fill in as needed from time to time. Finally, it would be nice to have someone in charge of cleaning the pantry on a monthly basis, basically mopping the floor and cleaning the refrigerator. Potential volunteers should call contact Diane Walion for more information – [Dswalion@gmail.com](mailto:Dswalion@gmail.com), 518 868-4629. As always, thank you for your faithful support of this ministry!

## Building & Grounds

### Fellowship Hall Renovations

The Fellowship Hall is nearly ready. Currently, we are painting (trim, doors, and touch-up) and “poly’ing” wood doors. Once done, the floor will be stripped, buffed, and sealed; plus a few other minor items finished.

**Need painters.** As we are doing the painting ourselves, more help from the congregation would speed the process along. If you can do fine trim painting or staining then please contact Dave Toborg (295-8554, dtoborg@midtel.net).

**Work Day.** Starting at 9 am Saturday, September 23 will be a multi-purpose work day. How much is accomplished beforehand will determine exactly what we’ll be doing that day. An announcement will be made in, but likely tasks include:

- Painting
- Dusting and vacuuming Sanctuary
- Moving tables and chairs to Fellowship Hall

### Sanctuary

Refinishing the pews is taking much longer than the contractor estimated. There is no definite target date at this time.

## Schoharie Valley Community Camp

Schoharie Valley Community Camp flew by this year! We had an amazing turn out of over 150 campers and over 90 volunteers. Camp was a success with children learning about Jesus' love and how he guides us through life. The children were able to walk on water, build bat houses, explore a cave, and learn about how God is the light of our worlds.

Thank you to everyone who helped with camp this year! You were greatly appreciated and hope to see you all again next year.

Make sure to mark your calendars for next year, July 16-20, 2018!

Dearest Church Family,  
We have been on Iona for just  
under a week now with Christians  
from all over the world in this  
ancient place, praising God and living  
in community. It is an experience  
I wish all could have and has  
nourished my soul greatly!

We had a great time in London  
and with our UK family... Next,  
we head to Zimbabwe.

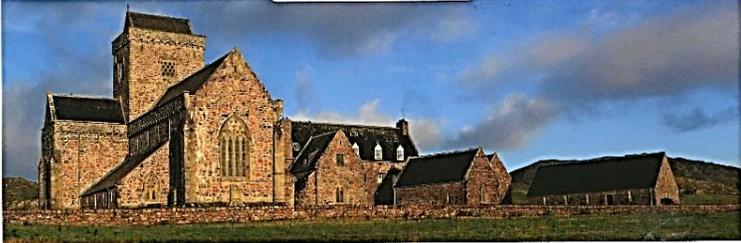

We pray God is filling your soul  
with even a drop of the love, peace  
and community we are experiencing

Much love!

Things of My Very Own Needs Your Help!

This is an urgent plea to the community for donations of new and gently used clothing for children in crisis. A collection box will be in the narthex.

The donations we have collected will be dropped off at Things of My Very Own's Crisis Intervention Center located at 249 Green Street in Schenectady any Monday, Wednesday, Friday and Saturday from 9am-noon. They accept donations of gently used or new clothing in sizes preemie- adult 8XL\*. Your donation can prevent a child having to be removed from their non-abusive family member, solely because they lack items necessary for sustainability. No donation is too small!

They are also dangerously low or out of the following items:

- Laundry Detergent-100% Depleted
- Boys and Girls Deodorant- 100% Depleted
- Feminine Hygiene Products (pads specifically)
- Juice Boxes- 100% Depleted
- Boys & Girls Undergarments (Must be new)- Most Sizes Depleted
- Conditioner- 100% Depleted

Monetary donations can be made on their website at <http://thingsofmyveryown.org/donate-today/>

\* Please note that the organization works with children who are extremely vulnerable and often traumatized by what they have endured. Donated clothing must be free of rips, tears, stains, and pilling. It is their mission to provide children who have been impacted by extensive abuse and/or neglect with clothing that they can be proud to wear. Thank you in advance for your support.

It is almost time for Sunday School to begin! This year we will be learning about Joshua, Gideon, and Joseph using more of the Veggie Tales Videos. We invite all children ages 4 and up to join us each Sunday at 9:15 AM in the Heritage House for a time of singing, video clips, stories, crafts, snacks, and games to learn about God. In November and December we will be practicing for our annual Christmas program.

Please join us on Sunday, September 10<sup>th</sup> at 9 AM for a FREE pancake breakfast to kick off the year! This is open to all members of the congregation and especially to our Sunday School families. Come eat, visit, and learn a little more about our Sunday School program. Cindy Parks and Liza Toborg will once again be teaching the children, but are always looking for volunteers to teach alongside them.

A calendar of dates for the upcoming Sunday School year is below. Copies will be available at the pancake breakfast, along with Sunday School registration forms.

## Let Me Tell You a Story

In the month of September, our worship will focus on just that, hearing God through four parables from the Synoptic Gospels (Matthew, Mark, and Luke). This is a way for you to also participate in worship and place your story in the parable.

September 3: **REFLECTING ON THE PAST:** Matthew 13:1-16 // The Parable of the Sower

**MAIN THEME:** How are you sowing seeds in the kingdom of God?

September 10: **CELEBRATING THE WORK OF GOD:** Luke 15:11-32 // The Parable of the Prodigal Son and His Brother

**MAIN THEME:** What works of God inspire you to celebrate?

Our Worship will include Marylou Ryan representative for Operation Christmas Child.

September 17: **RENEWING OUR COMMITMENT:** Matthew 9:9-17 // The Parable of New and Old Wineskins Our worship centers on the radical nature of Jesus' teachings. One thing Jesus did was eat with people that were not popular, such as tax collectors and sinners

**MAIN THEME:** How has Jesus called you to follow in this season of life?

September 24: **PREPARING FOR THE JOURNEY** Mark 13:28-37 // The Parable of the Fig Tree

This passage of Scripture tells us to keep alert for when God will break through in the world. **MAIN THEME:** How do we stay alert to the ways God is working in the world?

In keeping with the theme of staying alert, we will enter worship "shoeless." This came from a Time for Youth Message; we discovered that when Moses was in the presence of God, he was asked by God to remove his sandals as he stood on sacred ground (Exodus 3:5).

We'll leave our shoes in the Narthex and out of the way as we enter worship.

We hope you plan to join us for worship in September as we explore these parables. You are encouraged to share and place your story in each one.
